

ADULT CARE

Hospital Pack Independence

Hospital Pack

Comfort & protection for the ones you love

Hospital Pack Adult Disposable briefs was designed with your loved one in mind. The products' core is concentrated with great amounts of Super Absorbent Polymers, ensuring ultimate absorbency. Each brief has four fastenable grip tapes for more security and comfort. The legs are elasticized enhancing the leakage protection. For the care-givers, wetness indicators are located to the front of the brief to alert when the brief has been used. Hospital Pack briefs are hypo allergenic and latex free, perfect for the most sensitive of skins. Hospital Pack carries and Odour Dry System ensuring optimal odour control. Take Care of Them, Like They Took Care Of You!

HP Disposable Underwear is designed for individuals that are bedridden & incapacitated

Underpads

Hospital Pack EXTRA LARGE Disposable Underpads offer superior protection for beds and other surfaces from incontinence related spills. Hospital Pack underpads have a soft, quilted, super absorbent surface and are made out of hypoallergenic, non-irritating material. The surface layer is moisture wicking, so to the touch, the pad will not feel wet.

- Size: 36.5” x 30”. 10 / pack

Independence

Easy to use INDEPENDENCE Adult Disposable Underwear is designed for persons with an active lifestyle, and can be worn and taken off like any regular underwear. INDEPENDENCE hosts a plethora of benefits, some including:

- Active Fit Protection – The elasticized zones and shape of the underwear ensure a perfect fit that adapts to the contours of the body for maximum discretion and comfort.
- Odour Control – An odour control system in the absorbent core prevents the formation of ammonia and thus unpleasant odours.
- Fast Absorption – The multi-layer core, containing Super Absorbent Polymers, absorbs and locks urine inside the centre of the pad, reducing the risk of wetting.
- Cotton Feel – A soft cloth-like backsheet provides the comfort, look and feel, almost like your normal cotton underwear.
- Anti Leakage Protection – Integrated anti-leak cuffs made of waterproof material help to prevent side leakage, maintaining security and protection.
- Dermatologically Tested – INDEPENDENCE has been tested and proven to not cause skin irritations. They are also latex free.

Use Independence to help manage the effects of incontinence. Incontinence aids, like Independence, underwear less life-changing as you can still partake in your normal daily routine without needing to be burdened by where the closest toilet is.

Maintain your INDEPENDENCE and keep doing the things you love!
